

APPENDIX B INTERNET CONTRACT (Grades 7-12)

_____ **School**

_____ **Date**

I, _____, have read and understand the Technology Use and Safety Rules and agree to follow them or suffer the consequences stated in these Rules and our Student Handbook.

The following is a summary of the Technology Use and Safety Rules. All students and parents are encouraged to read the full Rules before signing this contract. All students and parents must sign the contract before using District Technology.

- Use of the District Technology must be in support of education.
- Users have the privilege to use all of the Technology for which they have had training. Anyone using the Technology is responsible for the preservation and care of that Technology.
- Accounts are to be used only by the owner. The sharing of passwords is prohibited.
- Real names must be used; no aliases are allowed. Additional personal information must not be shared over the Internet.
- Users experiencing harassment or receiving requests for personal information must report the problem.
- Any violations of the use of the Technology should be reported to the teacher in charge. Students violating the Technology Use and Safety Rules may be subject to discipline as outlined in the Rules and District Discipline policy. They may also be subject to legal action if appropriate.
- Copyright laws must be followed.

I grant _____ permission to publish documents on the World Wide Web as described in the Technology Use and Safety Rules, including (initial all that apply):

First Name: Last Name: Photograph: return email address.

I DO NOT GRANT _____ permission to publish documents on the World Wide Web as described in the Technology Use and Safety Rules.
User has received and read the Technology Use and Safety Rules summary and agrees to the terms.
