

5th GRADE SUPPLIES LIST

Each student will need to bring:

3 (2 pocket, 3 prong) folders of any color/design and matching color single-subject notebook. (No 3 ring binders or multi-subject notebooks, please)

1 composition notebook (this is the style of notebook that has the pages sewn in—like black & white marble design, but any color will do)

Pencils (have extra ready at home for when you run out).

1 black Sharpie marker

1 black dry erase marker

Ear buds (These can be cheapies! We use them often and it's good to have your own pair.)

Would be nice if they brought:

Kleenex (we go through a LOT, so thank you for sending extra!)

Clorox wipes

Water bottle

Would be nice if they kept home:

Colored pencils, markers, toys/distractions, rulers, big erasers, pencil sharpeners, highlighters, scissors, sketch pads/coloring books, etc. These items clutter desks, distract students, and we have class supplies of anything they might need for projects. Less is more!

Thank you for preparing your child for school. We can't wait to get to know all of you!

Sincerely,

Kim Bruton and Eric Soltis
