

J.H.S. Fight Song

Fight, fight for Jackson
Wave your colors to the sky
They will never beat us
Keep our spirits soaring high

Score, Score you Vikings
We are sure to win this game
We will mark this win with all the rest
In the Viking Hall of Fame

J.H.S. Alma Mater

*We sing to you our High School
Old Friend we love so dear
The Viking Memories we share
Endure from year to year
And as we travel on through life
In fortune, In Defeat
When e'er we think of friendship true
Our hearts with you will meet.*

Sail, Vikings!

(to the tune "Anchors, Aweigh")

Sail, Vikings down the field
Sail to your goal.
Roll up the score you boys
And make them pay the toll (toll, toll, toll)

Let out your sails, Vikings
Show them your speed
Leave them in your wake
Let's win this game, win this game, we need!
