I have read and understand Board Policy 7540.03 Student Education Technology Acceptable Use and Safety and the Social Media Policy and Guidelines. Both documents are available on the JPS website: [www.jpsk12.org](http://www.jpsk12.org). I understand that a failure to follow these policies may result in consequences stated in these rules and our Student Handbook. I understand that the permission granted by this document will be in effect during all school years the student is enrolled at Jackson Public Schools. Any changes to the permission granted by this document must be provided in writing by the parent or JPS.

The following is a summary of the Technology Use and Safety Rules. All students and parents must sign the contract before using District Technology.

- Use of District Technology must be in support of education.
- Users have the privilege to use all of the technology for which they have had training. Anyone using the technology is responsible for the preservation and care of that technology.
- Accounts are to be used only by the owner. The sharing of passwords is prohibited.
- Real names must be used; no aliases are allowed. Additional personal information must not be shared over the Internet.
- Users experiencing harassment or receiving requests for personal information must report the problem.
- Any violations of the use of the technology should be reported to the teacher in charge.

Students violating the Board Policy may be subject to discipline as outlined in the Student Handbook. They may also be subject to legal action if appropriate.

Please note:

- Internet history and usage will be monitored.
- Technology will not be used for "cyberbullying".
- Copyright laws must be followed.

The parent/guardian grants permission to publish documents on the World Wide Web. In the event that the parent/guardian does not grant permission to publish documents, written notice must be submitted to the building/district office.

The student and the parent have access to the Policies and agree to their terms for the duration of the student's enrollment at Jackson Public Schools.
