

Safety & Security Procedures for Home Football Games at Withington Stadium - Jackson High School

Withington Stadium - Safety and Security Procedures effective 09/12/19

- All visitors at freshman, junior varsity (JV), and varsity football games at Withington Stadium will be searched by portable metal detecting wands before entering the stadium.
- No weapons of any kind are allowed on school property, which includes the entire JHS campus, parking lots, and the stadium.
- Backpacks are prohibited. No exceptions.
- Purses, diaper bags, and medical bags are allowed in the stadium but are subject to search at the gate.
- Entry into the stadium will only be available at the front gates on the west side of JHS. The back entry gate will be closed to visitors.
- There is no "re-entry" once a person leaves the stadium.
- Animals are not permitted, with the exception of service animals and service animals in training.
- Tobacco products of any kind (including e-cigarettes/vaping) are not allowed on school property, which includes the entire JHS campus, the parking lots and the stadium.
- Alcohol and gambling are prohibited on school property and at the stadium, including the parking lots.
- Any person violating the above guidelines may be ejected from the event without a refund.
