

**Cathy Sykes** was chosen as **McCulloch's** Power of One for May. Cathy runs the Book Partner program at our school. This program brings young struggling readers together with retirees and high school students for a one-on-one tutoring experience twice a week. Cathy designs the lessons for each child and recruits the wonderful mentors. She also volunteers to help students at our school. She has been helping to make our school for many, many years!

**Sam Ulstad** is a long time teacher for **Jackson High School** who has inspired students to learn as well as to extend their learning and expectations of themselves. As a result of his efforts our AP Calculus program not only continues to thrive, but also is very representative of our student demographics. Additionally, he has inspired enough students to continue in their mathematics education, affording us the opportunity next fall to provide Calculus II through JC on our campus. Mr. Ulstad develops not only a working knowledge of Calculus, he also develops skills of analysis, thinking, and collaboration.

The **Middle School at Parkside** is pleased to nominate **Victoria "Bunny" Flack** and **James Seelhoff** as the Power of One for the month of May. These two teamed up as 8<sup>th</sup> grade Individuals and Societies teachers to teach our students the importance of giving back to our community. As a result, our 8th graders participated in a valuable learning experience that will not forgotten any time soon. On April 20, nearly 200 students were able to present their projects to our parents and community members. For these efforts and more, we celebrate Mrs. Flack and Mr. Seelhoff for making a positive contribution to the students of Middle School at Parkside and the Community of Jackson!

**Fourth Street Learning Center** is proud to nominate **Kathy Shafer** as Power of One for the month of May! Kathy's motto is "Be More Kind". She goes above and beyond in everything she does. She gets food for the hungry, homes for the homeless, shoe vouchers for the shoeless and prom dresses for any student wanting to go the prom. She always provides hope for all those she comes into contact with. Kathy currently splits her time between 4SLC and T.A. Wilson Academy as a social worker. Well done Mrs. Shafer!

It is a pleasure to nominate **Anne Frank** as **Bennett's** Power of One recipient for the month of May, 2016. Mrs. Frank is new as our Music Teacher here at Bennett this year, but has been teaching at Jackson Public Schools for 15 years. Mrs. Frank is a team player and truly believes that it takes a village to raise a child. She always steps up to help out when there is a need, often taking on extra classes or planning special events for our Parent Nights. She loves to incorporate movement into the songs she teaches the students, and they look forward to her classes every week.

**Nataiya (Na-TA-yu) Webb** is the **Northeast** Power of One for May. Nataiya is a phenomenal student leader, she decided at the beginning of this year that she was going to be a student leader and a role model for other students. She did exactly that! Nataiya has become that go to student for many people on staff. She is able to take care of the school announcement schedule. She works hard academically and behaviorally to make Northeast a great place to go school. We know that she is Safe, Trustworthy, has an Awsome Attitude, Responsible/Respectful and Stays on Task; a true representation of our STARS rubric.

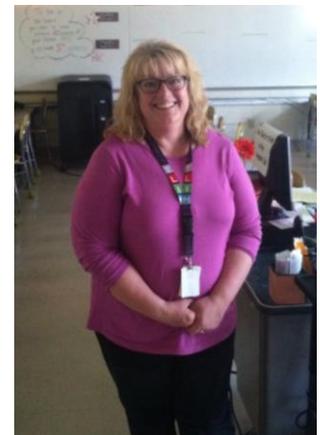

**T.A Wilson Academy's** May Power of One is **Mr. Josh Lindeman**, Social Studies teacher. Mr. Lindeman has just recently conferred his Master's Degree in Administration through Eastern Michigan University. This spring, as a part of his program, he completed an internship with Mr. Moore at Wilson Academy. Even with many things on his plate, Mr. Lindeman continues to be a coach, cheerleader and mentor to his students. His passion for History is contagious to his students. Mr. Lindeman is the constant in the lives of many of his students. Our students, families, and staff are fortunate to have Mr. Lindeman on the team.

**Amy Teriaco** has been such leader since she has joined the **Cascades** team. She is the teacher in charge in my absence and is respected by the whole staff, students, and parents in that position. Amy is always finding fun, engaging activities for her students which help them to be successful. Amy is definitely what you would call a team player, she is always stepping up and helping everyone all the time. We appreciate Amy and her dynamic personality. Thank you Amy for all that you do!

**Dibble** would like to nominate our afternoon custodian **Eric Hayes**. He has been with us this year and has become a part of the Dibble family. He is always willing to help our staff, students and families in a courteous manner. Eric is someone who can be counted on to do what he says and he takes pride in his work. He is a quiet observer who has come to know our children and staff. We have enjoyed having him in our building and helping it to 'shine'.

**Mrs. Sue Francey** is an extremely valuable member of the team at **Frost**. She is willing to take on any task that she is asked to do and does so with a smile on her face. Mrs. Francey works diligently at making students' days a little bit brighter. When students are having a difficult day, it is common to see her giving them a hug and also giving them words of encouragement. The positive relationships that we establish with our kids is at the center of the job that we do as educators. Mrs. Francey takes this part of her job very seriously and in doing so, she has helped to create a more positive climate at Frost.

**Sharp Park Academy** is pleased to recognize **Kristy Dillon**, parent volunteer, as our May Power of One. Kristy has gone above and beyond the call of volunteerism the nine years she has had a child at Sharp Park Academy. She is never too busy to lend a hand in whatever situation someone needs help with. She is a go to person for other parents, students, and staff members. She will be greatly missed as her youngest moves to the Middle School. Thanks so much Kristy!

**Ella Hunter** was chosen as **JPS Montessori School's** Power of One recipient for May because of her commitment to helping the staff and students of our school. She goes out of her way to be of service, whether it is assembling materials and shelving or making our building look clean and beautiful. She helps to make our building a great place to be!

**Hunt Elementary** is proud to recognize **Tonisha Bradshaw** as our Power of One. For many years Tonisha taught technology at Hunt, this year she is teaching Spanish and she is doing an awesome job. Tonisha is dedicated, never complains and the students and staff love her. It is an honor to work with Tonisha at Hunt. Congratulations.
